ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 6, 1928.

To the School Board and Citizens of Danville:

I herewith submit to you my first annual report as Superintendent of Schools.

The schools of Danville were opened September 6, 1927 with the same staff of teachers as last year in the Eaton School, Miss Emma L. White in the Grammar Department and Miss Doris H. Rowell in the Primary; and with Miss Edith F. Stevenson in the North Danville School. Miss Stevenson is a graduate of Keene Normal School in the class of 1927 and comes to us with the best of recommendations. I am pleased as a new-comer to this field to find the schools of your town so well handled.

Last June two pupils were graduated from the eighth grade:

Lawrence Clement and Ruth Emery.

Danville has the following pupils in Sanborn Seminary:

GRADE 12	GRADE 10
William Bernaby	Pearl Anderson
	Manford Avery
GRADE 11	William Cooney
Muriel Collins	Alfred Hopkins
Wilmot Currier	Thelma Jackson
Robert Estes	
Carroll Kimball	
Dorothy Seicze	

Two of these students belong in the honor groups because of their high standing in their class work. I am very pleased to report these names and hope I may be able to report more next year. To be of the honor group is much to be sought and greatly to be prized when obtained. I wish to commend these young people to you and to say that we are proud of them and the record they are making for Danville.

The following pupils were neither absent nor tardy during 1926-27:

PUPIL	PARENT
Arthur Lessard	Dona Lessard
Gordon Witherell	Currier Witherell

As the credit for such commendable attendance is often due to the parent, his name is given as well as that of the pupil.

I invite your attention to the statistical report of attendance which follows. It shows a considerable loss in visits by adults from that shown a year ago. We urge every citizen of Danville to visit their schools, to become acquainted with the teachers, and to enjoy the work of the children. It is added incentive and inspiration to teacher and pupils alike to have the visitors in the schoolroom.

I cannot close this report without expressing appreciation to you and the teachers for the very fine spirit of co-operation which you have shown me during the short time I have been working with you. I am sure it speaks volumes for the success of the children for whom we work.

Respectfully submitted,

HAROLD C. BOWLEY,
Superintendent of Schools.

SCHOOL BOARD REPORT

General Remarks

After eight years of splendid service, Supt. Pitkin resigned last Fall to accept a similar position in the schools of North Andover, Mass. Mr. Harold C. Bowley was elected by the Supervisory Union as his successor, consequently his report covers the first of the present year only, except some of the statistics. His work in this new field, to date, has been very satisfactory.

There has also been a change in the school nurse. Miss Eva M. Parker resigned last Spring and Mrs. Constance Cooper, R. N., of Exeter, was elected for the balance of the year. Her work in the various towns of the Union was so efficient she was re-elected for the present school year.

While we were obliged to make extensive repairs at the North school, painting, relaying the brick foundation, etc., for which no extra appropriation was made, our financial report still shows a credit balance.

The item for High School tuition in our budget for the coming year calls for over \$400 more than this year, owing to the larger number of pupils and the increase in the cost of tuition; yet the total amount to be raised by taxation is less than \$100 more than last year.

In closing we are gratified to report that all the schools under excellent teachers and efficient supervision are attaining a higher standard. It is also pleasing to note the interest the parents have displayed as the success of the schools depend much upon their support.

Respectfully submitted,

W. CURRIER WITHERELL,

IRMA W. DAY,

LOUIS M. GRIFFIN,

School Board of Danville.
